Organized by Pyramids Group, Maroc Stone Fair to gather thousands of Professional visitors from marble and natural stone sector with international and national exhibitors.

MAROC STONE is a world class event in Morocco in the natural stone sector, one of the most stable markets in the world. The second edition served as the first unifying space for professionals in the mining industry, to establish exchanges and opportunities which will allow all stakeholders to clearly grow equitable business relationships.

210 Exhibitors from Morocco, Turkey, India, Egypt, Portugal, Italy, Greece, Saudi Arabia, Senegal, Cote d'Ivoire, Oman, United Arab Emirates and China are going to showcase their last technology products from ceramic, natural stone, marble, building materials, travertine, limestone, onyx, diabase, andesite, salt, Granite, decorative and artistic products and more for 3 days of event.

Also machines for quarries, factory and workshop machines and consumables will be open to professional visitor's sight.

Hundreds of Delegates from Morocco and worldwide were hosted
